How have you adapted your services to help address students' sense of isolation and to support their sense of belonging?

Intl mentorship program

Has been very helpful, in increasing a sense of belonging for students studying remote

cooking

Our (VIU) face-to-face cultural couch program moved to a virtual weekly cooking show, Culture Kitchen, with students and staff engaged. It has had lots of uptake and media coverage! <https://campusevents.viu.ca/culture-kitchen>

What are your institutions plans to address systemic/structural racism?

We have an EDI policy but don't think it is addressing systemic/structural racism

How is your institution supporting intercultural learning for employees and students?

we have an asynchronous course on intercultural learning for staff and faculty
